Rev. Lester Clark has again commenced revival meetings at the M. P. church and expects to continue them for some time.

Elston Hoffman came very near losing a valuable colt Saturday last, and it would have died, but for the timely aid of Dr. W. N. Armstrong, V. S. of Yale, who is fast gaining popularity among our farmers.

Eleven new members united with the M. P. church Sunday evening.

F. Reynolds had the misfortune to put his right knee out of joint, Wednesday.

Brown City Letter.

L. H. Howse Sundayed in Peck.

Where did you spend Thanksgiving? Harmon Buby, of Imlay City, was a Brown City caller Sunday.

Wm. C. Brown and family visited friends in Valley Centre Sunday.

Bessie Vanhorn, of Marlette, was a guest at the Harrington House Saturday.

Anna Dudley, of Elliott, is spending the week in town the guest of Mrs. Richardson.

Joseph Scott now occupies a cozy suite of rooms on the second floor of the Gamble brick block.

J. Bradshaw and sister Maggie, of Roseburg, attended the teachers' association here on Saturday.

Allen Schlichter visited in Macomb county last week. Mrs. Schlichter will remain there another week.

The Sanilac County Teachers' Association held here last Saturday was a complete success. The enthusiasm was shown by the large number in attendance. A very interesting programme was rendered. A recitation by Mr. Porte was so heartily enjoyed that he honored the audience with another.

Roseburg Letter.

Maggie Bradshaw is visiting at present with friends at Lamotte.

George Martin, of Yale, visited with friends here last Wednesday.

Peter Spring, of Sanilac Centre, visited friends here one day this week.

Thomas Noble and wife, of Melvin, called at J. D. Bradshaw's last Tuesday.

William Snider, of Jeddo, visited his sister, Mrs. William Avery, last Wednesday.

Quite a number from here attended the Teachers' Association at Brown City last Saturday.

William V. McIntyre and wife went to Saginaw last Saturday to spend Thanksgiving with their daughter.

George Tennant, accompanied by his uncle Henry, attended the wedding of his father in Capac last Wednesday.

E. G. Tennant, of Roseburg, and Mrs. Lura, of Pontiac, were united in the holy bonds of matrimony on Wednesday, November 28th, 1894. The ceremony was performed at Capac by Rev. Wallace of that place. This community extend their heartiest congratulations and will gladly welcome Mrs. Tennant to their midst.

There is a lady in this town who must have an enormous capacity for turkey. Her husband had ordered one of these holiday fowl for Thanksgiving day, but one, it seems, could not have been thought sufficient as this lady soon after purchased another. As the family consists but of the gentleman and his wife, we hope in the interests of health and hygiene that they had company for dinner on Thanksgiving.

Quite a large number were in attendance at the Sabbath School Convention last Sunday. After prayer and reading of the scripture by the pastor, Rev. F. Hurlbert, Frank Bradshaw the delegate to the State Convention, read a most interesting report of the proceedings at Grand Rapids. The question, "What is the relation of the S. S. to the church?" was next discussed. Rev. Hurlbert interested the assembly by a short address on this subject. "What are the missing links in the S. S.?" was spoken of by F. Bradshaw and others. James Badley spoke for a short time on the attraction which the S. S. should possess for the young. F. Snider made a few interesting remarks on "The efforts which teachers should make to interest their pupils." Mrs. T. H. Moore expressed a few interesting views on the good influences of the S. S. The convention closed with singing and prayer. It is a fact to be regretted that so many people evince so little interest in Sabbath School work.

Taxes! Taxes!

I will be at the Rapley House every Friday in December to receive taxes. GEORGE MIDDLETON, Treasurer of Brockway Township.

WHY "No. 9" ARE WHEELER & WILSON'S

SEWING MACHINES

POPULAR?

BECAUSE LADIES

BUY THEM LIKE THEM

AND TELL THEIR FRIENDS.

Many ladies have used our machines twenty to thirty years in their family work and are still using the original machines we furnished them a generation ago. Many of our machines have run more than twenty years without repairs, other than needles. With proper care they never wear out, and seldom need repair. We have built sewing machines for more than forty years and have constantly improved them. We build our machines on honor, and they are recognized everywhere as the most accurately fitted and finely finished sewing machines in the world. Our latest, the "No. 9," is the result of our long experience. In competition with the leading machines of the world, it received the Grand Prize at the Paris Exposition of 1889, as the best, other machines receiving only complimentary medals of gold, silver and bronze. The Grand Prize was what all sought for, and our machine was awarded it.

Send for our illustrated catalogue. We want dealers in all unoccupied territory.

WITHOUT THE

Non-pull-out BOW (RING)

It is easy to steal or ring watches from the pocket. This gets the watch in one hand, the chain in the other and gives a short, quick jerk—the ring slips off the watch stem, and away goes the watch, leaving the victim only the chain.

This idea stopped

that little game:

The bow has a groove on each end. A collar runs down inside the pendant (stem) and fits into the groove, firmly locking the bow to the pendant, so that it cannot be pulled or twisted off.

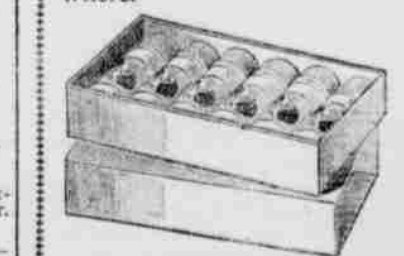

Sold by all watch dealers, without cost, on Jas. Boss Filled and other cases containing this trade mark—

A watch case opener sent free on request.

Keystone Watch Case Co., PHILADELPHIA.
